

Rates & Tariffs

In order to maintain a high standard of service to our customers, ANL will be implementing a rate restoration program from 1st September 2020 to all customers in Korea, China, Japan, Hong Kong and Taiwan.

From 1st September 2020 all export shipments with origin in Korea, China, Japan, Hong Kong and Taiwan to ports and points in Australia will levy an increase of US\$300/TEU and US\$600/FEU for both dry and refrigerated cargo in the base ocean freight. This increase will apply in full on top of existing ongoing market rates and will be subject to accessorial surcharges applicable at the time of shipment.
