

Southbound BAF and ECA Surcharge United States and Canada to Australia and New Zealand

24th November 2016

Dear Customer,

We wish to advise that effective 1st January 2017 (cargo received date), the **Bunker Surcharge (BAF)** for all cargo moving from the United States and Canada to Australia and New Zealand will increase from current level of \$338/20' and \$676/40' to **\$404/20'** and **\$808/40'**.

The **Emission Control Area (ECA) Surcharge** will decrease from current level of \$21/TEU to **\$14/TEU**.

Tariff as well as existing service contracts will be subject to this charge.

The Bunker Surcharge and Emission Control Area Surcharge will continue to be monitored on a quarterly basis and adjustments will be made following the review period, with appropriate notice given to the trade.

Thank you for your continued support.

Please contact your local Hamburg Süd office should you require more information.
