Order Visibility

Simply better planning. Get real-time visibility into order milestones, Ex-factory times, arrival times and more.

Shipment Visibility Done Right

See everything you need to know about your shipment all in one place. Find departure and arrival times, manage notifications, documents, invoices, and more.

⚠️ 1 Exception, 1 Reminder ^

⚠️ ETD Origin Port missed
Your shipment did not depart the origin port on the ETD of 15-Sep-2022

🕒 Reminder to return empty container
To avoid detention fees, return the empty container {ID} by {Return Empty By}.

⚠️ 2 Exceptions

⚠️ Planned Origin Port ETD missed

⚠️ Customs hold
Your shipment is in an active {import or export} customs hold by {agency name(s)}. Please see [Lines Report](#) for more information.

Reminders New

- Reminder to pick up full container
- Reminder to return empty container

Exceptions New

- Planned Origin Port ETA Missed
- Planned ETA Missed
- Customs Hold
- Container On Hold
- Container not delivered on time
- Full container not removed on time
- Empty container not returned on time

Easier Exceptions Management

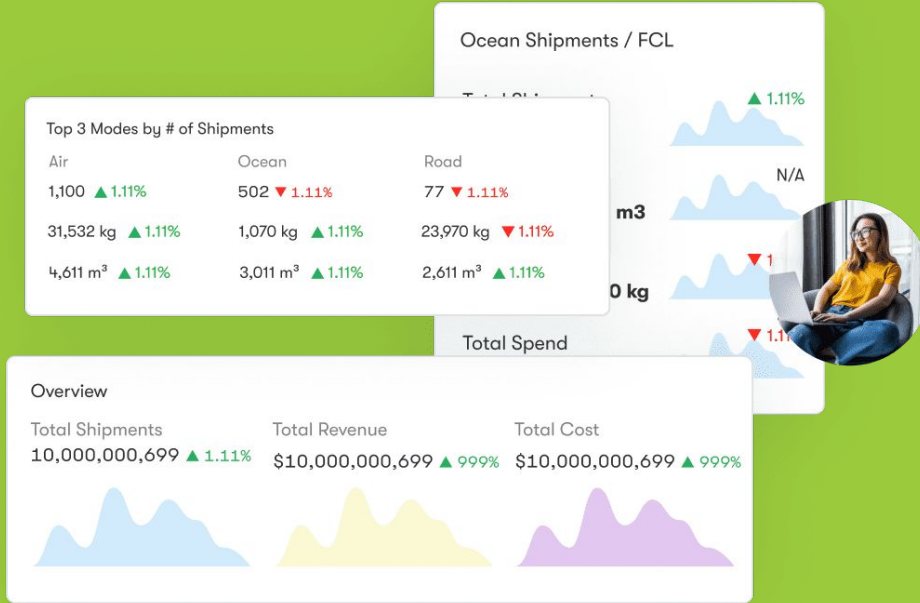

Raise efficiency with a centralized view of exceptions, paired with custom in-app notifications, reminders and automated email alerts.

Documents Centralized

You can upload, download and get quick access to all documents related to a shipment.

The interface features a sidebar with navigation options: Overview, Documents (selected), Invoices, and Activity. A 'Recent Documents' section lists five files with download icons, timestamps, and dates. Below this are 'Download All Documents' and 'Upload' buttons. A 'Documents' table lists document types and their corresponding filenames.

Document Type	Filename
Commercial Invoice	Invoice + packing slip.pdf
Packing List	PackingList_XYZ.pdf
Purchase Order	Purchase Order.pdf
